Peace be upon you my brother in Allah

My dear brother I am your brother Aba-al-Ayyubi and this is my new e-mail that Allah willing we can connect through If you have any kind of sites in which we can safely connect Allah willing I am ready I have registration in the forums of Midad al Suyuf and al Muqawamah and al Firdaws and the Muntadayat al Jihad al Salafiyyah

My dear brother

I completely trust you now and no other human being is aware of what we are talking about but I say as you said caution then caution and I by Allah yearn like I never have before in my life for this great work such that I have started to hate the world and its pleasures however as you have said with haste there is regret patience patience is the key to relief for every Muslim in this world except that which Allah the Almighty wants and He is the Knower of the unseen and martyrdom

And finally I say that there are many thoughts that I would like to talk about and that I am ready by Allah's permission to do anything to protect Islam and protect our true religion however the Internet world is not safe to discuss such matters

And thanks be to Allah the Lord of the universe Who has facilitated this for us.

Your brother Aba-al-Ayyubi

And Peace and Allah's mercy and blessings be upon you
